

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Pelatro Limited
[formerly known as Pelatro Private Limited]

Report on the Audit of Standalone Ind-AS Financial Statements

Opinion

We have audited the Standalone Ind-AS Financial Statements of **M/s Pelatro Limited [formerly known as Pelatro Private Limited]** ("the Company"), which comprise the Balance Sheet as at 31st March, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements including material accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind-AS Financial Statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, the profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Ind-AS Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Ind-AS Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the *Code of Ethics*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to the following matters in the Notes to the financial statements:

- a. Note No. 8.1 & 8.2 regarding export receivables from Genexx Pvt. Ltd. transferred to Pelatro Limited, UK.

Our opinion is not modified in respect of these matters.

Information other than the Standalone Ind-AS Financial Statements and auditors' report thereon

The Company's board of directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Ind-AS Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the Standalone Ind-AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind-AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind-AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of the Management and Those Charged with Governance for Standalone Ind-AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind-AS Financial Statements that give a true and fair view of the financial position and financial performance of the company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind-AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Ind-AS Financial Statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind-AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind-AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind-AS Financial Statements.

A further description of our responsibilities for the audit of the Standalone Ind-AS Financial Statements is included in "Annexure - A" of this auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the **Annexure - B** a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by Section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of audit.
 - b. In our opinion, proper books of account as required by Law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph below on reporting under Rule 11(g).
 - c. The Balance Sheet, the Statement of Profit & Loss and Cash Flow Statements dealt with by this report are in agreement with the books of account.
 - d. In our opinion, the aforesaid Standalone Ind-AS Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e. On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act.
 - f. With respect to the adequacy of internal financial controls over financial reporting of the company and the operating effectiveness of such controls, we give a separate report in the **Annexure - C**; and
 - g. The provisions of Section 197(16) of the Act are not applicable to the Company.

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts which require any provision to be made for material foreseeable losses;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

Based on the audit procedures that has been considered reasonable and appropriate in the circumstances, nothing has come to our notice that causes us to believe that the representation given by the Management contain any material misstatement.

- v. The Company has not declared or paid any dividend during the year and has not proposed final dividend for the year.
- vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year *[except for the period from 01-04-2023 to 20-04-2023]* for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with.

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024.

ANNEXURE-A TO THE AUDITOR'S REPORT

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind-AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind-AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind-AS Financial Statements, including the disclosures and whether the Standalone Ind-AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

ANNEXURE-B TO AUDITOR'S REPORT

(i) In respect of Property, Plant and Equipment:

- a) A) The Company has maintained proper records showing full particulars including quantitative details and situation of the Property, Plant and Equipment;
- B) The Company has maintained proper records showing full particulars of the intangible assets;
- b) Property, Plant and Equipment have been physically verified during the year by the management in line with an internal programme of verification. According to the information and explanations given to us, no material discrepancies were noticed on such verification. In our opinion, the periodicity of verification is reasonable having regard to size of the Company and the nature of its assets;
- c) The company does not have any immovable property. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as right of use assets in the standalone Ind-AS financial statements, the lease agreements are in the name of the company, where the company is lessee in the agreement;
- d) The company has not revalued its Property, Plant and Equipment and Intangible Assets and hence clause (i)(d) of the order is not applicable;
- e) According to the information and explanations given to us and based on our examination of the relevant records, no proceedings have been initiated or are pending against the company for holding any benami property under Benami Transactions (Prohibition) Act, 1988 and rules made thereunder, and hence clause (i)(e) of the order is not applicable.

(ii) Since the Company is engaged in the business of providing software services it does not carry any inventory. Further, the Company has not availed of any working capital limits from a bank or a financial institution. Accordingly, clause (ii) of the order is not applicable.

(iii) In respect of loans, advances, guarantees or investments:

- a) According to the information and explanations given to us and based on our examination of the relevant records, the Company has granted the following loans during the year

| Particulars | Aggregate Loans Granted in INR Thousands | Balance Outstanding in INR Thousands |
|-------------------------|---|---|
| Others (Employee Loans) | 736.00 | 634.00 |

Excepting the above, the Company has not granted loans or advances in the nature of loans or provided any guarantee or security to any entity.

- b) In our opinion, the loans granted and investments made by the Company during the year are prima facie not prejudicial to the Company's interest.
- c) Based on our examination of the relevant records, the Company has specified schedules for the repayment of the principal and interest on the above loans granted and in general, the repayments made by the borrowing entities are regular.
- d) Based on our examination of the relevant records, there are no overdue amounts in respect of the loans granted.

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

- e) In view of what is stated under clause (d) above, reporting under sub-clause (e) is not applicable.
- f) Based on our examination of the relevant records, there are no loans granted which are repayable on demand or without specifying any terms or repayment period and hence reporting under sub-clause (f) is not applicable.
- (iv) In our opinion and according to the information and explanations given to us and based on our examination of the relevant books and records produced before us, the Company has not entered into any transactions which come under the purview of Section 185 and 186 of the Companies Act, 2013 and hence clause (iv) of the Order is not applicable.
- (v) In our opinion and according to the information and explanations given to us and based on our examination of the relevant books and records produced before us, the Company has not accepted any deposits from the public in terms of Chapter-V the Companies Act, 2013 read with The Companies (Acceptance of Deposits) Rules, 2014 and no order has been passed by Company Law Board or National Company Law Tribunal or any other Tribunal. Hence reporting under this clause is not applicable.
- (vi) To the best of our knowledge and as explained to us, the Central Government has not specified the maintenance of cost records under sub-section 1 of section 148 of the Companies Act, 2013.
- (vii) According to the information and explanations given to us and on the basis of examination of the books and records as produced before us, in respect of statutory dues and other dues:
- a) The Company has been generally regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Income Tax, Custom Duty, Cess and other statutory dues with the appropriate authorities during the period wherever applicable. There were no material undisputed amounts in respect of the above statutory dues, which were in arrears as at 31st March 2023, for a period more than six months from the date they became due,
- b) There were no statutory dues which were not deposited on account of any dispute.
- (viii) According to the information and explanation given to us and based on our verification of the records and relevant documents, the Company has not surrendered or disclosed additional income during the year in the tax assessments under Income Tax Act, 1961. Hence reporting under this clause is not applicable.
- (ix) In respect of Borrowings, according to the information and explanations given to us and on the basis of our examination of the records of the Company we report the following under clause (ix):
- a. The Company is regular in repayment of the loans and interest thereon;
- b. The Company has not been declared a willful defaulter by any bank or financial institution or government or government authority;
- c. According to the information and explanation given to us and based on our verification of the records and relevant documents term loans are utilized for the purpose they were obtained;

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

- d. The Company did not raise any short-term funds during the year; And with respect to short term borrowings outstanding, prima facie, not been used during the year for Long -term purposes.
 - e. According to the information and explanations given to us and the procedures performed by us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associates. The company does not have any joint venture.
 - f. According to the information and explanations given to us and the procedures performed by us, the company has not borrowed funds by pledging the securities held in its subsidiaries or associates. The company does not have any joint venture.
- (x) In respect of moneys raised by way of initial public offer, further public offer, preferential allotment and private placement of shares / convertible debentures:
- a. The Company has not raised moneys by way of initial public offer or further public offer during the year.
 - b. The company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year.
- (xi) In respect of fraud:
- a. To the best of our knowledge and belief, according to the information and explanations given to us by the Management and the records produced before us, no frauds were noticed or reported during the year.
 - b. As reported above, no frauds were noticed or reported during the year and hence report under sub-section (12) of section 143 is not applicable.
 - c. As represented to us by the management, the Company is not required to implement a whistleblower policy under the provisions of sub-section 9 of section 177 of the Act read with Rule 7 of the Companies (Meetings of Board and its Powers) Rules, 2014.
- (xii) The Company is not a Nidhi Company and hence this clause is not applicable.
- (xiii) In our opinion and according to the information and explanation given to us and based on our verification of the records and relevant documents, all transactions with related parties entered into by the Company are in compliance with section 188 of the Companies Act where applicable, and details of the same have been disclosed in the Standalone Ind-AS Financial Statements as required by the applicable accounting standards. The provisions of Section 177 are not applicable to the Company.
- (xiv) In our opinion and based on our examination, the company does not have an internal audit system and is not required to have an internal audit system as per provisions of the Companies Act, 2013 and hence reporting under this clause is not applicable.
- (xv) According to the information and explanation given to us by the Management and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him and hence this clause is not applicable.

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

- (xvi) In our opinion and according to the information and explanation given to us,
- a. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any Non-Banking Financial or Housing Finance activities.
 - c. The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India.
 - d. As represented by the Management, the Group does not have any Core Investment Companies.
- (xvii) The company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and hence reporting under this clause is not applicable.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, aging and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Ind-AS Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) In respect of Corporate Social Responsibility,
- (a) In our opinion and according to the information and explanations given to us and based on our examination of the records, the Company is required to transfer unspent amount of INR 1,025.22 thousand to Institute of Information Technology, Madras, a fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.

GNANOBA & BHAT
CHARTERED ACCOUNTANTS

- (b) The company has not identified any project and consequently is not required to transfer the unspent amount to a separate fund in terms of sub-section (6) of section 135 of the said Act.

ANNEXURE - C TO AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over the financial reporting of **M/s Pelatro Limited [formerly Pelatro Private Limited]** as on 31st March 2024 in conjunction with our audit of the financial statements of the Company for the year ended as on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company.
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, that receipt and expenditures of the company are being made only in accordance with authorisations of management and directors of the company.
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

| Note: Dues from Related Parties [Refer Note No] | 172,237.80 | 121,150.77 | - |

8.1 Of the receivables, as on the date of these financials, INR 16,876 in thousands represents dues towards supply of software and related services rendered to Genexx Private Limited, Nepal which is an export receivable in Indian Rupees. As the Export of service was on behalf of M/s PELATRO LIMITED, UK, the same has been assigned to that entity as per the Receivable Transfer Agreement dated 2nd February 2024 between Pelatro Limited, UK, Genexx Pvt. Ltd. and Pelatro Limited India. The management is confident of realizing the entire dues from this entity in the financial year 2024-25 and accordingly, no provision is considered necessary in respect of these amounts. As the assigned receivables are in respect of Export of Services to Nepal, it is opined that there is no requirement of declaration of exports/reporting to regulatory authorities for the delayed realization of export proceeds and no restrictions for assignment of dues.

8.2 In determining the allowance for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit allowance for trade receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. This is not applied to receivables that are due from holding company and its subsidiaries.

34 Earnings Per share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year.

Diluted EPS amounts are calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

The following table sets out the computation of basic and diluted earnings per share:

| Particulars | Year ended | |
|--|------------|-----------|
| | 31-Mar-24 | 31-Mar-23 |
| Profit for the year attributable to equity share holders | 54,146.10 | 46,388.98 |
| Shares | | |
| Weighted average number of equity shares outstanding during the year - basic | 3,796,448 | 3,500,000 |
| Weighted average number of equity shares outstanding during the year - diluted | 3,796,448 | 3,500,000 |
| Earnings/(Loss) per share | | |
| Earnings per share of par value INT 10 - basic (INR) | 14.26 | 13.25 |
| Earnings per share of par value INT 10 - diluted (INR) | 14.26 | 13.25 |

Notes Forming Part of the Standalone Financial Statements

(All amounts in Indian Rupees Thousands, except where otherwise stated)

37. Employee benefit plans

37.1 Defined contribution plans

The employees of the Company are members of a state-managed retirement benefit plan operated by the government. The Company is required to contribute a specified percentage of payroll costs to the retirement benefit scheme to fund the benefits. The only obligation of the Company with respect to the retirement benefit plan is to make the specified contributions.

During the period, the Company has recognized the following amount in the Profit and Loss Account-

| Particulars | 31-Mar-24 | 31-Mar-23 |
|--|-----------|-----------|
| Employers' Contribution to Provident Fund | 12,225.43 | 10,608.88 |
| Employers' Contribution to Employee state insurance scheme | 20.95 | 48.75 |

37.2 Defined benefit plans

The Company provides for gratuity for employees as per the Payment of Gratuity Act, 1972. Employees who are in continuous service of 5 years are eligible for gratuity under this Act. The amount of gratuity payable on termination / retirement is the last drawn basic salary per month of the employee proportionate for a period of 15 days per completed year of service. During the year 2017, the Company had constituted a Group Gratuity Trust and the above liability is funded through the Group Gratuity Trust with Life Insurance Corporation of India.

These plans typically expose the Group to actuarial risks such as: Actuarial Risk, Investment Risk, Liquidity Risk, Market Risk & Legislative Risk.

| | |
|----------------|---|
| Actuarial Risk | It is the risk that benefits will cost more than expected. This can arise due to one of the following reasons: Adverse Salary Growth Experience: Salary hikes that are higher than the assumed salary escalation will result into an increase in Obligation at a rate that is higher than expected. Variability in mortality rates: If actual mortality rates are higher than assumed mortality rate assumption than the Gratuity Benefits will be paid earlier than expected. Since there is no condition of vesting on the death benefit, the acceleration of cashflow will lead to an actuarial loss or gain depending on the relative values of the assumed salary growth and discount rate. Variability in withdrawal rates: If actual withdrawal rates are higher than assumed withdrawal rate assumption than the Gratuity Benefits will be paid earlier than expected. The impact of this will depend on whether the benefits are vested as at the resignation date. |
|----------------|---|

PELATRO LIMITED

(Formerly known as Pelatro Private Limited)

CIN: U72100KA2013PLC068239

| | |
|------------------|--|
| Investment Risk | For funded plans that rely on insurers for managing the assets, the value of assets certified by the insurer may not be the fair value of instruments backing the liability. In such cases, the present value of the assets is independent of the future discount rate. This can result in wide fluctuations in the net liability or the funded status if there are significant changes in the discount rate during the inter valuation period |
| Liquidity Risk | Employees with high salaries and long durations or those higher in hierarchy, accumulate significant level of benefits. If some of such employees resign/retire from the company there can be strain on the cashflows |
| Market Risk | Market risk is a collective term for risks that are related to the changes and fluctuations of the financial markets. One actuarial assumption that has a material effect is the discount rate. The discount rate reflects the time value of money. An increase in discount rate leads to decrease in Defined Benefit Obligation of the plan benefits & vice versa. This assumption depends on the yields on the corporate/government bonds and hence the valuation of liability is exposed to fluctuations in the yields as at the valuation date |
| Legislative Risk | Legislative risk is the risk of increase in the plan liabilities or reduction in the plan assets due to change in the legislation/regulation. The government may amend the Payment of Gratuity Act thus requiring the companies to pay higher benefits to the employees. This will directly affect the present value of the Defined Benefit Obligation and the same will have to be recognized immediately in the year when any such amendment is effective |

PELATRO LIMITED

(Formerly known as Pelatro Private Limited)

CIN: U72100KA2013PLC068239

The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the credit method.

| The principal assumptions used for the purposes of the actuarial valuations were as follows. | 31-Mar-24 | 31-Mar-23 |
|---|------------------|------------------|
| Discount rate(s) | 7.20% | 7.30% |
| Expected rate(s) of salary increase | 10.00% | 10.00% |
| Amounts recognised in statement of profit and loss in respect of these defined benefit plans are as follows: | 31-Mar-24 | 31-Mar-23 |
| Service cost: | | |
| Current service cost | 3,607.98 | 3,290.91 |
| Net interest expense | 994.45 | 742.11 |
| Components of defined benefit costs recognised in profit or loss | 4,602.43 | 4,033.02 |

Remeasurement on the net defined benefit liability:

| | | |
|--|-----------------|-----------------|
| Return on plan assets (excluding amounts included in net interest expense) | - | - |
| Actuarial (gains) / losses arising from changes in demographic assumptions | - | - |
| Actuarial (gains) / losses arising from changes in financial assumptions | 93.97 | (640.99) |
| Actuarial (gains) / losses arising from experience adjustments | 2,957.20 | (267.01) |
| Benefits paid | (646.78) | (883.00) |
| Components of defined benefit costs recognised in other comprehensive income | 2,404.39 | (1,791.00) |
| Total | 7,006.82 | 2,242.01 |

The current service cost and the net interest expense for the year are included in the 'Employee benefits expense' line item in the statement of profit and loss. The remeasurement of the net defined benefit liability is included in other comprehensive income.

| The amount included in the Balance Sheet arising from the entity's obligation in respect of its defined benefit plans is as follows: | 31-Mar-24 | 31-Mar-23 |
|--|------------------|------------------|
| Present value of defined benefit obligation | 22,969.87 | 15,890.73 |
| Fair value of plan assets | 800.76 | 464.19 |
| Funded status | | |
| Net liability arising from defined benefit obligation | 22,169.11 | 15,426.54 |

| Movements in the present value of the defined benefit obligation are as follows: | Year ended 31-Mar-24 | Year ended 31-Mar-23 |
|--|-------------------------|-------------------------|
| Opening defined benefit obligation | 17,057.56 | 14,840.14 |
| Current service cost | 3,607.98 | 3,290.91 |
| Interest cost | 994.45 | 742.11 |
| Acquisition / Divestiture | - | - |
| Remeasurement (gains)/losses: | - | - |
| Actuarial gains and losses arising from changes in demographic assumptions | - | - |
| Actuarial gains and losses arising from changes in financial assumptions | - | - |
| Actuarial gains and losses arising from experience adjustments | - | - |
| Others: Amounts recognized in Other Comprehensive (Income)/Expense | 3,078.65 | (666.51) |
| Past service cost, including losses/(gains) on curtailments | - | - |
| Liabilities extinguished on settlements | - | - |
| Liabilities assumed in a business combination | - | - |
| Exchange differences on foreign plans | - | - |
| Benefits paid | (938.51) | (1,149.09) |
| Closing defined benefit obligation | 23,800.13 | 17,057.56 |

PELATRO LIMITED

(Formerly known as Pelatro Private Limited)

CIN: U72100KA2013PLC068239

Significant actuarial assumptions for the determination of the defined obligation are discount rate, expected salary increase and mortality. The sensitivity analyses below have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

| Particulars | 01-Apr-23 | 01-Apr-22 |
|---|-----------------|-----------------|
| | to 31-Mar-24 | to 31-Mar-23 |
| Impact of 0.5% increase in discount rate | 22,507.78 | 15,555.52 |
| Impact of 0.5% decrease in discount rate | 23,451.79 | 16,240.62 |
| Impact of 0.5% increase in salary growth rate | 23,320.89 | 16,145.55 |
| Impact of 0.5% decrease in salary growth rate | 22,648.07 | 15,626.68 |
| Impact of 0.5% increase in mortality rate | 22,809.01 | 15,742.96 |
| Impact of 0.5% decrease in mortality rate | 23,109.03 | 16,023.62 |

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

Expected future Cash outflows towards the plan are as follows-

| Financial Year | Amount in Rs. Thousands |
|----------------|----------------------------|
| 2024-25 | 3,790.33 |
| 2025-26 | 5,139.38 |
| 2026-27 | 3,204.24 |
| 2027-28 | 3,040.50 |
| 2028-29 | 3,206.42 |
| 2029-34 | 8,354.30 |

38. Segment reporting**(a) Operating segment**

Ind AS 108 'Operating Segments' ('Ind AS 108') establishes standards for the way that business enterprises report information about operating segments and related disclosures about revenue, geographic areas and major customers. Based on the 'management approach' as defined in Ind AS 108, the Managing Director monitors and reviews the operating results of the Company as one segment i.e., 'Software Solutions for various aspects of Precision Marketing'. Since the entire business falls within a single operational segment, these restated consolidated and standalone financial information are reflecting the information required by Ind AS 108

(b) Geographical segment**(i) Revenue from operations disaggregated based on geography**

| Particulars | Standalone | |
|--------------------------------|-----------------|-----------------|
| | | |
| | 31-Mar-24 | 31-Mar-23 |
| India | 1,111.17 | 1,195.71 |
| Outside India | 4,769.64 | 3,702.52 |
| Revenue From Operations | 5,880.82 | 4,898.23 |

Note: Considering the nature of business in which the Company operates, the Company deals with various customers across multiple geographies. However, none of the geographies contribute materially to the revenue of the Company.

(ii) Non-current assets based on geography (location of assets)

| Particulars | Standalone | |
|--------------------------------|---------------|---------------|

Note 39: Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include trade and other receivables, cash and cash equivalents and refundable deposits that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarized below.

(i) Market Risk:

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as commodity risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits. The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023. The sensitivity analysis have been prepared on the basis that the amount of net debt and the ratio of fixed to floating interest rates of the debt

The analysis excludes the impact of movements in market variables on the carrying values of gratuity and other post retirement obligations; provisions.

The below assumption has been made in calculating the sensitivity analysis:

(ii) Interest Rate Risk:

interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's short-term debt obligations with floating interest rates.

The Company manages its interest rate risk by having a balanced portfolio of variable rate borrowings. The Company does not enter into any interest rate swaps.

Interest rate sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows:

| | | Increase/decrease in interest rate | Effect on profit before tax |
|-----------------------|--|---------------------------------------|-----------------------------|
| March 31, 2024 | | | |
| INR in thousands | | +1% | (1,867.58) |
| INR in thousands | | -1% | 1,867.58 |
| March 31, 2023 | | | |
| INR in thousands | | +1% | (1,347.86) |
| INR in thousands | | -1% | 1,347.86 |

PELATRO LIMITED
(Formerly known as Pelatro Private Limited)
CIN: U72100KA2013PLC068239

Notes Forming Part of the Standalone Financial Statements
(All amounts in Indian Rupees Thousands, except where otherwise stated)

(iii) Credit Risk:

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its investing activities, including deposits with banks and financial institutions and other financial instruments.

Credit risk is controlled by analysing credit limits and creditworthiness of customers on a continuous basis to whom credit has been granted after obtaining necessary approvals for credit. The collection from the trade receivables are monitored on a continuous basis by the receivables team. The Company establishes an allowance for credit loss that represents its estimate of expected losses in respect of trade and other receivables based on the past and the recent collection trend.

Credit risk on cash and cash equivalent is limited as the Company generally transacts with banks and financial institutions with high credit ratings assigned by international and domestic credit rating agencies.

(iv) Liquidity Risk:

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans. The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

| Particulars | On Demand | < 1 Year | 1 to 5 years | > 5 Years | Total |
|------------------------------|------------------|------------------|------------------|------------------|-------------------|
| Year Ended 31-03-2024 | | | | | |
| Short-term Borrowings | 35,000.00 | | | | 35,000.00 |
| Term Loan | | 13,757.67 | 59,726.00 | 51,180.02 | 124,663.69 |
| Long-term Borrowings | | 6,500.00 | 21,000.00 | | 27,500.00 |
| Trade payables | 31,258.64 | | | | 31,258.64 |
| Total | 66,258.64 | 20,257.67 | 80,726.00 | 51,180.02 | 218,422.33 |

| Particulars | On Demand | < 1 Year | 1 to 5 years | > 5 Years | Total |
|------------------------------|-----------------|------------------|------------------|------------------|-------------------|
| Year Ended 31-03-2023 | | | | | |
| Short-term Borrowings | 0.03 | | | | - |
| Term Loan | | 7,957.34 | 32,892.12 | 61,299.54 | 102,149.00 |
| Long-term Borrowings | | 6,000.00 | 24,000.00 | 3,000.00 | 33,000.00 |
| Trade payables | 3,098.59 | | | | 31,258.64 |
| Total | 3,098.62 | 13,957.34 | 56,892.12 | 64,299.54 | 166,407.64 |

Note 40: Capital management

The Company's policy is to maintain a stable capital base so as to maintain investor, creditor and market confidence and to sustain future development of the business. Management monitors capital on the basis of return on capital employed as well as the debt to total equity ratio.

For the purpose of debt to total equity ratio, debt considered is long-term and short-term borrowings. Total equity comprise of issued share capital and all other equity reserves.

The capital structure as of March 31, 2024 and March 31, 2023 was as follows:

| Particulars | 31-Mar-24 | 31-Mar-23 |
|---|-------------------|-------------------|
| Total equity attributable to the equity shareholders of the Company | 194,321.52 | 132,479.24 |
| As a percentage of total capital | 50.99% | 49.57% |
| Long term borrowings including current maturities | 151,757.81 | 134,786.34 |
| Short term borrowings | 35,000.00 | 0.03 |
| Total borrowings | 186,757.81 | 134,786.37 |
| As a percentage of total capital | 49.01% | 50.43% |
| Total capital (equity and borrowings) | 381,079.32 | 267,265.60 |

| Return on Investment | Unrealised Gain | Weighted average of Investments | - | - | 0% | N.A |

Notes:

- 1 Decrease in Current ratio is on account of increase in Trade payables and other current liabilities
- 2 Decrease in Debt service coverage ratio is on account of increase in borrowings
- 3 Return on equity reduced due to increase in capital employed.
- 4 Trade receivable turnover ratio is decreased due increase in sales and increase in receivables at year end.
- 5 Decrease in trade payable turnover ratio is on account of increase in payables.
- 6 Decrease in net profit ratio is due to increase in expenses.
- 7 Return on capital employed reduced due to increase in capital employed.

Notes Forming Part of the Standalone Financial Statements

(All amounts in Indian Rupees Thousands, except where otherwise stated)

42. FIRST TIME ADOPTION OF IND AS

These financial statements are the first financial statements of the Company under Ind AS. The accounting policies set out in Note 2 have been applied in preparing these financial statements for the year ended 31st March, 2024, the comparative information presented in these financial statements for the year ended 31st March, 2023 and in the preparation of an opening Ind AS balance sheet as at 1st April, 2022 (i.e. the Company's date of transition). In preparing the opening Ind AS balance sheet, the Company has adjusted the amounts reported previously in the financial statements prepared in accordance with the accounting standards notified under Companies (Accounting Standards) Rules, 2006 (as amended) and other relevant provisions of the Act. An explanation of how the transition from previous GAAP to Ind AS has affected the company's financial position, financial performance and cash flows is set out in Note 42.2 and Note 42.3 hereto.

a. The transition to IndAS was carried out from the accounting principles generally accepted in India ("Indian GAAP") which is considered as "Previous GAAP" as defined in Ind AS 101, "First Time Adoption". An explanation of how the transition to IndAS has impacted the Company's equity and profits/loss is provided in the Reconciliation of Equity as at April 1 2022 to March 31 2023 and Reconciliation of statement of profit/loss for the year ended March 31, 2023. The preparation of these Ind AS Financial Information resulted in changes to the accounting policies as compared to most recent annual financial statements prepared under Indian GAAP. The impact arising from the adoption of IndAS on the date of transition (1 April 2022) has been adjusted in other equity.

b. This note explains the principal adjustments made by the Company in transition from previous Indian GAAP to Ind AS.

42.1 Exemptions and exceptions applied

A. Exemptions

IndAS101 First-Time Adoption allows first-time adopters certain exemptions from the retrospective application of certain requirements under IndAS. For transition to IndAS, the Company has applied the following exemptions:

(i) Derecognition of financial assets and financial liabilities

The Company has applied the derecognition requirements of financial assets and financial liabilities prospectively for transactions occurring on or after April 1, 2022 (the transition date).

B. Exceptions

IndAS 101 First-Time Adoption provides first-time adopters certain exceptions from the retrospective application of certain requirements under IndAS. For transition to IndAS, the Company has applied the following exceptions:

(i) Recognition of financial assets and liabilities

The Company has recognised financial assets and liabilities on transition date which are required to be recognised by IndAS and were not recognised under previous GAAP

(ii) Classification and measurement of financial assets

IndAS 101 requires that an entity should assess the classification of its financial assets on the basis of facts and circumstances exist on the date of transition. Accordingly, in its Opening Ind AS Balance Sheet, the Company has classified all the financial assets on basis of facts and circumstances that existed on the date of transition, i.e. April 1, 2022.

(iii) Impairment of financial assets

The Company has applied the impairment requirements of IndAS109 retrospectively; however, as permitted by IndAS101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to IndAS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

(iv) Estimates

The entity's estimates in accordance with IndAS at the date of transition to IndAS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

IndAS estimates as at April 1, 2022 are consistent with the estimates as at the same date made in conformity with previous GAAP except for the following items where application of Indian GAAP did not require estimation

Notes to first time adoption:

A Leases - Company as Lessee

Ind AS 116 requires the company to recognise right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The receipts from the lessee are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Lease payments are apportioned between finance costs and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance costs are recognised in statement of profit and loss over the lease period.

Consequent to this change, right-of-use asset for INR 2336.16Ths has been created with a corresponding credit to Lease Liability as at 31 March 2023. The profit for the year and total equity as at 31 March 2019 decreased by INR 977.02Ths due to amortisation of right-of-use asset & finance cost of INR 164.12Ths.

B Borrowings

Ind AS 109 requires transaction costs incurred towards origination of borrowings to be deducted from the carrying amount of borrowings on initial recognition. These costs are recognised in the profit or loss over the tenure of the borrowing as part of the interest expense by applying the effective rate of interest.

Under previous GAAP, these transaction costs were charged to statement of profit and loss as and when incurred. Consequently borrowings as at 31 March 2019 have been reduced by INR 1005Ths with a corresponding adjustment to processing fee and rates & taxes. The interest cost on borrowings is charged to Profit & Loss for INR 644.34Ths

PELATRO LIMITED

(Formerly known as Pelatro Private Limited)

CIN: U72100KA2013PLC068239

C Remeasurements of post-employment benefit obligations

Under Ind AS, remeasurements i.e. actuarial gains and losses and the return on plan assets, excluding amounts included in the net interest expense on the net defined benefit liability are recognised in other comprehensive income instead of profit or loss. Under the previous GAAP, these remeasurements were forming part of the profit or loss for the year. As a result of this change, the profit for the year ended March 31, 2019 decreased by INR 167.96 Ths.

D Deferred tax

Adjustments to deferred tax reflect changes in other equity consequent to the above Ind AS adjustments.

E Other equity

Other equity as at April 1, 2022 and March 31, 2023 has been adjusted consequent to the above Ind AS transition adjustments.

PELATRO LIMITED

(Formerly Pelatro Private Limited)

CIN: U72100KA2013PLC068239

NOTE 1

COMPANY INFORMATION

Pelatro Limited. is headquartered in the Bangalore with its development centre in Bangalore, India itself. The company was founded in March 2013 with a vision to create world leading software solutions for various aspects of Precision Marketing.

NOTE 2

MATERIAL ACCOUNTING POLICIES

A. BASIS FOR PREPARATION OF FINANCIAL STATEMENTS

The Company is required to prepare its financial statements in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013, read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. Accordingly, these financial statements are prepared in accordance with Ind AS under the historical cost convention on the accrual basis with revenues recognized and expenses accounted on their accrual, including provisions / adjustments for committed obligations and amounts determined as payable or receivable during the year except for certain financial instruments that are measured at cost.

The Company has voluntarily adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 'First time adoption of Indian Accounting Standards'. The transition was carried out from accounting principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP. Reconciliations and descriptions of the effect of the transition are summarized in Note 39.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

USE OF ESTIMATES

The preparation of financial statements in conformity with Ind AS requires that the management makes estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent liabilities as at the date of financial statements, and the reported amounts of revenue and expenses during the reporting period. Examples of such estimate include profits expected to be earned on projects carried on by the Company, contract costs expected to be incurred to completion of project, provision for doubtful debts, income taxes, etc. Actual results could differ from those estimates. Differences, if any, between the actual results and estimates are recognised in the period in which the results are known or materialized.

Material accounting judgements, estimates and assumptions used by management are as below:

- Fair value measurements (Refer note B)
- Identification of leases involving the recognition of a Right of Use asset and its accounting including the adoption of an appropriate discounting rate (Refer note E).
- Useful lives of Property, Plant and Equipment, Investment Property and Intangible Assets (Refer notes G & I).

Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current / non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realized within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

B. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis, except for leasing transactions that are within the scope of Ind AS 116, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

C. CASH FLOW STATEMENTS

Cash flows are reported using indirect method, whereby net profits / (loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments and items of income or expenses associated with investing or financing cash flows. The cash flows from regular revenue generating (operating activities), investing and financing activities of the Company are segregated based on the available information.

D. REVENUE RECOGNITION

Revenue from contracts with customers

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. Revenue is measured based on the transaction price, which is the consideration, adjusted for discounts and other credits, if any, as specified in the contract with the customer. The Company presents revenue from contracts with customers net of indirect taxes in its statement of profit and loss.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing components, non-cash consideration, and consideration payable to the customer (if any).

The Company recognises revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. A 5-step approach is used to recognise revenue as below:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in the contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

E. LEASES

The Company as a Lessee

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re-measurement of the lease liability. The right-of-use asset is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The receipts from the lessee are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. If receipts from the lessee vary because of factors other than general inflation, then this condition is not met. The estimated useful lives of right-of-use assets are determined based on the lease period. Right-of-use assets are tested for impairment whenever there is any indication that their carrying amounts may not be recoverable. Impairment loss, if any, is recognised in the statement of profit and loss.

Lease payments are apportioned between finance costs and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance costs are recognised in statement of profit and loss over the lease period.

F. BORROWING COSTS

Borrowing costs (net of interest income on temporary investments) that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the respective asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset which necessarily takes a substantial period of time to get ready for its intended use or sale. Ancillary cost of borrowings in respect of loans not disbursed are carried forward and accounted as borrowing cost in the year of disbursement of loan. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest expenses calculated as per Effective Rate of Interest (EIR) method, exchange difference arising from foreign currency borrowings to the extent they are treated as an adjustment to the borrowing cost and other costs that an entity incurs in connection with the borrowing of funds.

EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial liability or a shorter period, where appropriate, to the amortised cost of a financial liability after considering all the contractual terms of the financial instrument.

G. PROPERTY, PLANT & EQUIPMENT

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2022 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. Cost of the asset includes expenditure that is directly attributable to the acquisition and installation, including interest on borrowing for the project / property, plant & equipment up to the date the asset is put to use. Any cost incurred relating to settlement of claims regarding titles to the properties is accounted for and capitalised as incurred.

Depreciation method, estimated useful lives and residual values

Depreciation on property, plant and equipment is provided using the straight-line method of depreciation over the useful life of the assets estimated by the Management. The Management has estimated the life of the property, plant and equipment as under.

| Asset | Useful Life (Years) |
|--------------------------------|---------------------|
| Office Equipment | 5 |
| Computers & Laptops | 3 |
| Software | 9 |
| Servers & Networking Equipment | 5 to 6 |
| Furniture & Fixtures | 3 to 10 |
| Electricals | 10 |
| Website Development expenses | 3 |
| Motor Vehicles | 8 |

De-recognition

An item of property, plant and equipment and any significant part initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is de-recognised.

H. CAPITAL WORK-IN-PROGRESS

Projects under which tangible assets are not yet ready for their intended use are carried at cost comprising direct cost, related incidental expenses and attributable borrowing costs.

Depreciation is not provided on capital work-in-progress until construction and installation are complete and the asset is ready for its intended use.

I. INTANGIBLE ASSETS

On transition to IND AS, the Company has elected to continue with the carrying value of all of its Intangible assets recognised as at April 1, 2022, measured as per the previous GAAP, and use that carrying value as the deemed cost of such Intangible assets.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalised development costs, are not capitalised and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as 9 years and the same shall be amortised on straight-line basis over its useful life.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment at each year end either individually or at the cash generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

De-recognition

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the income statement when the asset is derecognized.

J. FINANCIAL INSTRUMENTS

Initial recognition

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through Statement of Profit and Loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

a. Non-derivative financial instruments

Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Further, in cases where the Company has made an irrevocable election based on its business model, for its investments which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

Financial assets at fair value through profit and loss (FVTPL)

A financial asset which is not classified in any of the above categories is subsequently fair-valued through Statement of Profit and Loss.

Financial liabilities

Financial liabilities are subsequently carried at amortized cost using the effective interest method, except for contingent consideration recognized in a business combination which is subsequently measured at fair value through Statement of Profit and Loss. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate the fair value due to the short maturity of these instruments.

Investments in Subsidiaries, joint ventures and associates

Investments in subsidiaries, joint ventures and associates are carried at cost in the financial statements.

b. Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

Impairment of financial assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through Statement of Profit and Loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognized, is recognised as an impairment gain or loss in Statement of Profit and Loss.

K. PROVISIONS AND CONTINGENCIES

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there

is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

L. FOREIGN CURRENCY TRANSLATION

Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency').

The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

Foreign currency transactions and balances

- i. Initial recognition – Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.
- ii. Conversion – Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction. Non-monetary items, which are measured at fair value or other similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.
- iii. Exchange differences – The Company accounts for exchange differences arising on translation/settlement of foreign currency monetary items as income or as expense in the period in which they arise.

M. INCOME TAXES

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognized in the statement of profit and loss, except when they relate to items that are recognized in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognized in other comprehensive income or directly in equity, respectively.

i. Current income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for that period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the balance sheet date.

ii. Deferred income tax

Deferred income tax is recognized on temporary differences at the balance sheet date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes, except when the deferred income tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognized for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Deferred income tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the balance sheet date.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity).

Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in

N. EARNINGS PER SHARE

Earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income relating to dilutive potential equity shares, by the weighted average number of equity shares considered for deriving the basic earnings per share and also the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares. Potential equity shares are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share and are deemed to be converted at the beginning of the period, unless they have been issued at a later date.

O. EMPLOYEE BENEFITS

- i. Retirement benefits in the form of Provident Fund and Pension Schemes are charged on an accrual basis to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the Regional Provident Fund Commissioner.
- ii. For defined benefit retirement plans, the cost of providing benefits is determined using the projected unit credit method, with actuarial valuations being carried out at the end of each annual reporting period. Remeasurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) is reflected immediately in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Remeasurement recognised in other comprehensive income is reflected immediately in retained earnings and is not reclassified to statement of profit and loss. Past service cost is recognised in statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset.
- iii. The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using the projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognised in the period in which the absences occur.

P. Contingent liabilities & contingent assets

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.
